SENATE BILL

No. 270

Introduced by Senator Mendoza

February 19, 2015

An act to add Section 8041 to the Business and Professions Code, relating to court reporters.

LEGISLATIVE COUNSEL'S DIGEST

SB 270, as amended, Mendoza. Court Reporters Board of California: civil actions: corporations.

Existing law provides for the certification and regulation of shorthand reporters and for the regulation of shorthand reporting corporations by the Court Reporters Board of California.

Under existing law, a shorthand reporting corporation is a corporation authorized to render professional services, as defined, as long as that corporation and all of its shareholders, officers, directors, and employees rendering professional services who are certified shorthand reporters are in compliance with specified provisions of law. Existing law defines a foreign professional corporation as a corporation organized under the laws of a state of the United States other than this state that is engaged in a profession of a type for which there is specified authorization for the performance of professional services by a foreign professional corporation. Under existing law, it constitutes unprofessional conduct and a violation of these provisions for any licensed person to violate, attempt to violate, assist in or abet the violation of, or conspire to violate

any specified provisions of law, including regulations adopted thereunder. Existing law prohibits a shorthand reporting corporation from not doing or failing to do any act the doing of which or the failure to do which would constitute unprofessional conduct under any statute, rule, or regulation pertaining to shorthand reporters or shorthand reporting.

This bill would authorize the board to bring a civil action in a superior court to enjoin any person, corporation, or corporation organized under the laws of a state of the United States other than this state, from rendering court reporter services in this state without ever being issued a license by the board or without authorization to render court reporter services in this state ~~by satisfying specified requirements.~~ *state*. The bill would authorize the board to request the Attorney General to bring such an action. The bill would require the court to impose specified monetary penalties against the person or corporation rendering services without a license or authorization. The bill would also authorize the court to order restitution and enjoin a person or corporation from taking any action constituting a violation of any law pertaining to impartiality, as provided. ~~The bill would make it a misdemeanor for any person or corporation to knowingly render court reporter services in this state without ever being issued a license or authorized to render those services.~~

~~By creating a new crime, the bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: *yes-no*.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 8041 is added to the Business and
- 2 Professions Code, to read:
- 3 8041. (a) In addition to any other authority or remedy, the
- 4 board may *pursuant to this section* bring a civil action in a superior
- 5 court to enjoin any person, corporation, or corporation organized

17 constitute a violation of any statute or regulation of the board
18 pertaining to impartiality, including, but not limited to, Section
19 2475 of Title 16 of the California Code of Regulations, and the
20 court, *in addition to any other penalty provided for by statute or*

6 by the board and the Attorney General. Any such award of penalties
7 to the board shall be deposited in the Court Reporters' Fund and

11 any existing authority of the board, including existing injunctive
12 authority.

13 ~~SEC. 2. No reimbursement is required by this act pursuant to~~
14 ~~Section 6 of Article XIII B of the California Constitution because~~
15 ~~the only costs that may be incurred by a local agency or school~~
16 ~~district will be incurred because this act creates a new crime or~~
17 ~~infraction, eliminates a crime or infraction, or changes the penalty~~
18 ~~for a crime or infraction, within the meaning of Section 17556 of~~
